

## **EFRS/SAFE Europe RADIOTHERAPY webinar**

**Episode 7:** Proton Therapy: theories and practices from a radiographer's perspective

**Date:** 12. Januar 2022 20:00 Uhr

**Moderator:**

Claire Harman. EFRS Radiotherapy Committee, Cork University Hospital, Ireland.

**Speakers:**

Jesse Clarijs - de Jong. EFRS Radiotherapy Committee, Holland Proton Therapy Center, the Netherlands

**Learning objectives**

1. Gain insight about the differences between photon and proton RT treatment from a radiographer's perspective.
2. Grow knowledge in the theories and basic principles of proton therapy.
3. Be aware of the way the theoretical differences resonate into the radiographers' decision
